

Project Summary Sheet

Project: Windy Hollow Pond

Contractor: MLP Ventures, Inc.

Project Cost: \$384,612.51

Timeframe: Information includes all progress to 3/27/2014

Objective: Take existing drainage area and create a pond with landscaping, walkway, benches, trash receptacles and dog stations.

Remaining Activities: Landscaping and removal of “construction” items. The remaining landscaping is to place sod in areas where seed was laid but has not come in. The purpose is to prevent erosion of grading into the pond, sidewalks and streets.

Project Updates and Images: Project is 97% complete. Below is a task and % completion list for each activity associated with this project. Below are a few images of the Windy Hollow Pond.

Task	Percent Complete:
Mobilization	100%
Sitework/Grading	100%
Concrete Sidewalk	100%
Concrete Bridge Structure	100%
Concrete Light Pole Footings	100%
Pond Liner	100%
Masonry	100%
Landscaping	95%
Electrical	100%
Drain Lines	100%
City Furnished Site Furnishings	100%
Demobilization	50%
Change Order: Light Fixtures	100%
Change Order: Drain Basin	100%
Change Order: Added Concrete	100%
Change Order: Angular Gravel	100%
Change Order: Relocate CPS Transformer	100%
Change Order: Masonry Retaining Wall	100%

Images and Brief Descriptions: Here are a few images and descriptions of the activity associated with it.

Finishing stonework retention walls.

More stonework.

Grade work.

Grade work.

Grade work and spreading of mulch.

Rock Bridge and additional landscaping.

Mulch down and filling of pond.

Another view of completed rock work.
