Dear Friends, Neighbors and Citizens,

February is upon us. This is the month of Valentine's Day – a day to recognize our loved ones. The Newsletter Committee is planning their 4th Annual Kid's Valentine's Day Celebration, which is sponsored by the city of Windcrest, on February 8th at the Walzem YMCA. This has proven to be a lot of fun for residents' children and grandchildren. Also, do not forget to get something special for your loved one(s) on the 14th! There has been tremendous support from our city's best asset, our residents, with regards to citizens volunteering for the different committees and commissions. We are continuing to witness the growth of TEAM WINDCREST - both city pride and citizen participation are continuing to grow. We encourage you to remain active and involved, and we promise that we will continue to modify, change and refine how we do business. As we all know: **If we stay the same, we cannot improve.**

4th Annual Kid's Valentine's Day: Sunday, February 8th at the Walzem YMCA is the 4th Annual Kid's Valentine's Day Celebration and Party. This event always brings a smile to those children that attend. Every child who attends this party receives a gift. Refreshments are served and the YMCA will open its doors, including the indoor pool, for the enjoyment of all Windcrest residents' children and grandchildren. We hope to see you and your children at the party sponsored by the City of Windcrest. More information about this party is on page 11 of this Newsletter and/or call Heather Weidenbach at City Hall for more details.

4th Annual Firefighter Gala: This is coming up on Saturday, March 6, and as the best deal in town is sure to sell out once again. Food, Drinks, Entertainment and Dancing are included. All for a worthy cause, the proceeds go to our Windcrest Volunteer Fire Department. The theme this year is DISCO, so come dressed in your Disco attire, or dress from business attire to formal. Please call Heather Weidenbach at City Hall to get your seat(s) or a table of 8. More information is on page 7 of this Newsletter.

2015 Light-Up (Save the Dates): This year we had a record number of entries into the contest and I believe it was the best ever. Our city is known throughout as the "City of Lights." We show our pride and this showcases our city. It is the biggest economic generator for our charitable organizations. The city has received millions of dollars in media attention from the National to the local level regarding this event we hold every year. Next year the dates to circle are: Friday, December 4 – Deadline to Enter Light-Up Contest; Tuesday, December 8 – Judging for Contest; Saturday, December 12 – Light-Up Ceremony at City Hall; Thursday, January 7, 2016 – Light-Up Awards Party at Takas Park Civic Center.

Light-Up Maps/Fill the Boot UPDATE: Light-Up maps were available Friday afternoon, December 12th at City Hall. The WVFD passed out maps and asked for donations in exchange for the maps throughout the Holiday Season. They also included other organizations to share in the fun. The Windcrest Little League and the Animal Task Force are two organizations that participated with these efforts. We are proud to report that the donations for the maps set an all-time high of over \$30,000! This coupled with the increased sponsorships raised for the maps realized again an all-time high in revenues brought in to help various charities. A huge thank you to

our Volunteer Firefighters and Chief Vargas for working so hard passing the boot during the Holiday Season, and to the Animal Task Force and the Windcrest Little League. Congrats to all Great Job!

Windcrest Women's Club: Citizens, we all owe many thanks to all the ladies of the Windcrest Women's Club. They do so much for our community with regard to Light-Up. They have been the main sponsor from day one – over fifty years. Many people do not realize how much work goes into this event. On page 10 in this Newsletter is a list of all the winners. Thanks again.

Light-Up Awards Party: Thursday, January 8, 2015 was the Awards party for all those that won a Light-Up Award. It was held at the Takas Park Civic Center. All the citizens were invited to cheer on and applaud the winners. Free food and beverages were available to those that attended. We had a packed house. Plaques, checks and ornaments were given out to the winners. Also, pictures were taken. I am confident everyone that attended had a good time. I look forward to this event every year. Congrats to all.

Marketing Director/Public Affairs/Event Coordinator: This position was created approximately four years ago. It was a position that I pushed for as the city needed to market ourselves better and to improve our events. Katye Brought was our first hire. She did an outstanding job, and as many know she received a great opportunity to take her outstanding talents to the Witte Museum. Krysten Vela came in and she did a fantastic job. However, like the Spurs, others are always looking at our people. She received an incredible opportunity to take her talents to the NSISD. They are lucky to have her. We have now hired a new person for this job. Kelly Hamilton took over this position on January 14th. Take some time and come meet Kelly at City Hall. I am confident you will be impressed. She has impressive credentials. All are excited that we will continue to improve.

Economic Development: The Buffalo Wild Wings had a very successful grand opening. Those that attended, I am confident, had a lot of fun and were awed by the décor. The food and service was fantastic. It is very nice and there is no shortage of TVs. The new IN-N-OUT Burger construction is moving along at a fast pace. They will be open sometime in the Spring. We should have more details by the next Newsletter. Additionally, there are two more restaurants and a hotel being planned. These businesses will be bringing in over one million dollars in addi-

tional revenue a year to our city. We will continue to pursue businesses that make sense to our citizenry.

Street Repairs Phase Three: This Phase will begin in Spring. We did not want to interrupt Light-Up, so we suspended work until after the Holiday Season. Rest assured, this administration is committed to continuing to improve our infrastructure and amenities. As you know, we are systematically improving all the streets in Windcrest over the next several years.

Windcrest Golf Course Snack Bar and Restaurant: This snack bar/bar has new management. They are also open to the public. They wrote me to ask me to mention that everyone is welcome and they would like to win your business on a consistent basis. They serve food and both alcoholic and non-alcoholic beverages at very competitive prices. It is owned and operated by two long time Windcrest residents – Roy Hood and Mike Ahern. Again, it is open to the public, and you do not have to be golfing to come and visit with them.

Warrant Tip Line: We continue to try to improve. A citizen came up with the idea of a tip line to assist in apprehending people with outstanding warrants. I ran this by the court staff and they loved it. It is great to hear from our best asset – the citizens. We listened and now we have added this as another tool in our tool box to locate and apprehend person(s) with outstanding warrants. The rewards for information leading to the arrest of a person with an outstanding warrant will be from \$50 – 100. The number is **210-653-5299** call City Secretary Kelly Rodriguez at 210-655-0022 for more details.

Volunteering and Participating: We need more people on the Newsletter Committee, Windcrest Citizens' Patrol and Animal Task Force. Please call Kelly Hamilton at City Hall if you wish to volunteer. Remember that there are still places of service within the City. If you want to participate or volunteer in any area of the City, you won't be turned away. Give me a call or email me to get involved.

Please email me if you wish me to add something to my article. When you visit City Hall, please stop in and say hello.

Remember that I welcome and answer every phone call and email.

Alan E. Baxter

FROM YOUR

Mayor Pro-Tem, Pam Dodson

pdodson@windcrest-tx.gov

The first item I want to mention is about an IRS scam that is occurring. I got a call from a resident who has experienced this and she asked that I warn her neighbors. Of course, they ask for money to be sent and they are quite convincing that you need to do this. The IRS does not call you... they send certified letters if there is a problem. Always check with someone before you send money anywhere because of a phone call or a letter.

Here is an update on my proposals for January.

- The condition of our fences has been passed on to the Code Committee that meets January 21st in the council chambers at 7pm. I am sure they will do the necessary study to determine what we might do to improve the appearance of our perimeter fence line.
- Since we met only one time in January, Chief Ballew provided us an update on the traffic study at one of the meetings this month.
- Met with Sarah and the personnel manual should be presented to the council for their approval this month.

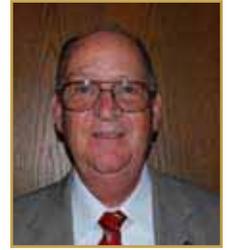

This month I will suggest that we have a meeting about the Master Plan which the Planning and Zoning Board presented to the council last year. The Master Plan committee along with the Planning and Zoning Board has given a lot of time developing this plan and some final action is necessary.

If you have any concerns or ideas that would make an improvement in our community, please contact me.

911... A number that I hope you won't need to use, however if you need Police Service, it is very important that you know what to do. If you live in Windcrest and call 911 from your home (land line) you will be connected to our Windcrest Dispatch Office. If you use a cell phone from your home, car or any other place while making a 911 call you should immediately tell the operator that you want Windcrest Police. This will save you 15-20 minutes or more of response time. Cell phone usage is dependent on which cell tower handles your signal. Just a tip for your safety.

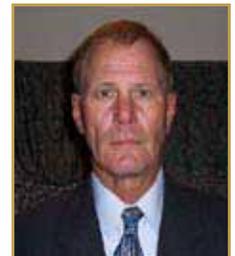

I had the privilege of attending the opening of BUFFALO WILD WINGS at 8450 N I- 35. Wings (regular and boneless) with a flavor and temperature for everyone, sides, salads, sandwiches, desserts and a wide variety of drinks are available. Check it out and welcome Windcrest's newest eatery.

After an unfortunate incident, SWEET KARMA Cupcakes & More has reopened. They are located at 4938 Windsor Hill here in Windcrest. With Valentine's Day just around the corner, this is a great place to pick up something special. Cakes, cookies, cupcakes, brownies and more are available. SWEET KARMA'S products are authorized for school usage and parties.

Howdy all,

I'd be remiss if I'd let 2014 just slip away in the history books without a heartfelt "THANK YOU" to all of our city employees and citizen volunteers that make Windcrest... WINDCREST!!! Yes, it takes a village and we certainly have that mindset throughout our great city. I see it each and every day. Again, thank you all! With that, if you want to bring something to my attention, please call me at 646-7956 or email me at jgretz@windcrest-tx.gov. Let's have a great 2015!

Dear Residents,

Our City of Windcrest continues to prosper and move forward. The year 2015 will be an exciting year for our city. Thanks to the hard work of our City Employees, our city's finances are in great shape!

My hat goes off to our Finance Officer, Sarah Mangham. Thanks for the great job that you do. As we have promised, we will continue to run the city in a very efficient manner. As we lower taxes, we will continue to add money into our rainy day fund and always strive to improve our services. As a city we are debt-free and not too many cities can say the same.

As a retired educator, I feel passionate about the performance of our local schools. Therefore, I have invited the Administrators from our surrounding schools to provide us with an overview of their performance. On 1-5-15, we were pleased and honored to present Jennifer Barton, Windcrest Elementary School Principal, John Merrill and Hope de Lemos Windcrest Elementary Assistant Principals. I am proud to announce that Windcrest Elementary has attained Academic Achievement in Mathematics and Science and top 25% in student progress. Your diligent work and commitment to improve Windcrest Elementary is commendable. We are fortunate to have you in our community. Also, the construction of our school continues to move forward and completion date is set for August 2015.

As always, I encourage you to stay involved and attend our City Council meetings. Please visit our schools, volunteer your time and mentor and support our students. They are the future of tomorrow.

Happy Valentine's Day to ALL our Windcrest Residents!!! We are so busy today that we just seem to forget to do something extra for the ones we love. If you can, take you loved one to dinner or perhaps a dinner and some dancing ... the good old days!

Now let's get back to everyday life and start looking around your house and yard to see what needs to be cleaned or fixed before spring arrives. Weather permitting; see if you can get a head start on spring cleaning.

Let's also look ahead and make plans to attend this year's Fire-fighter's Gala on Saturday, March 7, 2015. This event is one of our great fundraisers for our Fire Department. Since it first started residents have given generously to this event to help our Fire Department pay for equipment and training. Let's ALL unite and support OUR Volunteer Fire Department!

POLICE DEPARTMENT NEWS

Chief of Police - A. O. "Al" Ballew

2014 was again, a very busy year for the Windcrest Police Department!

While we were very busy with total calls in 2014, exceeding 35,000, we experienced a decrease in both violent crimes and property crimes since 2012. Both violent crimes and property crimes have decreased overall since 2012. I attribute this success to the unequalled support I receive from our City Manager, City Council and Mayor, in regards to hiring, equipment and overall support of public safety. Our exceptional use of proactive policing initiatives such as directed patrol and deployment, community oriented response and programs such as "Operation Grinch" and "Operation HAWK" as well as our crime prevention partnership with each of you... the residents and businesses of Windcrest, Texas!

Arrests in 2014 for crimes such as, theft, burglary vehicle, alcohol violations, driving while intoxicated, possession of narcotics and weapons violations, experienced an increase exceeding twenty percent compared to total arrests in 2013! I attribute this to our aggressive enforcement stance on crime and zero tolerance for criminal activity in the City of Windcrest. Reporting of suspicious persons and activity increased as well throughout 2014, this increase is attributed to the City-Crime Watch Program which was initiated in 2012 as well as increased crime prevention education and awareness. Citizens' Patrol assisted throughout the year as our eyes and ears, and into the holiday season helping to prevent crime throughout the City.

The City of Windcrest, your city...experiences a tremendous range and variety of people traversing through our City on a daily basis and this includes the criminal element as well. Your Windcrest Police Department continues to fight hard... strengthening the "Thin Blue Line" in the war on crime! I will be initiating new crime prevention programs throughout 2015 to further our efforts in stopping crime. We are certainly on our way to becoming one of the top safest cities in the United States. I certainly believe we are sending out a very loud and clear message to the criminal element!

tgarcia@windcrest-tx.gov

Good January rains have made us GREEN again. The life giving rain that is so vital to all Texans has kindly made its way through our city once again. We really needed it!

Public Works will continue to run the street sweeper for 2 extra hours each day to catch up on the accumulation of leaves in our city. The sweeper was out of service for many weeks during the leaf falling season. Chris Estes, our street sweeper operator has taken the challenge and will make sure we are caught up soon.

For those rare moments when a residence gets overlooked for trash/recycle pickup, please contact **Marlene** at **City Hall 210-655-0022**. She is in direct contact with Republic Services and she will make sure a Republic Services representative contacts you to take care of your issue. Many thanks to Marlene for doing a splendid job!

Please continue to keep us informed on issues in and around your area. It helps us a lot. Many thanks...

Code Enforcement Unit

Warmer weather is coming soon, so we need to prepare for our property maintenance routines specifically when it comes to grass. This is the time to get your lawn care tools tuned up for the season. Invest in a hand held tree trimmer for some of the low hanging branches. When trimming the branches and needing to go a little higher, take precautions to prevent falls and have someone help with the ladder. Use the cooler weather to go outside and tackle some fence and/or shed repairs or junk removal. Remember, you still need to hydrate even in cold weather. Prepare a plan for your property improvement projects and clean big for the upcoming spring brush pickup. A beautiful yard not only increases property value, it also helps with good mental health. Please check out the ordinance in [Chapter 32, Use of Yards Section on RV's, Boats and Trailers](#) which clearly specifies what is allowed and not allowed. Also, try to keep up with the leaves on the ground and remember, there is no ordinance requiring you to remove your leaves off your property, however, blowing leaves or grass trimmings onto other people's yards, streets and not collecting them is considered littering. If you need any assistance or want to report a violation of the Windcrest City Code, please contact the Code Compliance & Enforcement Unit via the Windcrest Police Department Dispatcher at 210-655-2666 or send an email thru the link provided within the Code Compliance & Enforcement tab located on the Police Department webpage.

Municipal Court Report

By Kelly Rodriguez, Municipal Court Clerk,
 krodriquez@windcrest-tx.gov (210) 655-0022 ext 2250

Failure to Appear and Capias Warrants

Many people do not realize that with Municipal Court there are two different types of warrants which are Failure to Appear (FTA) and Capias warrants. An FTA is issued when a person receives a citation and does not appear or make arrangements with the court on or before their assigned appearance date. If they post a bond that the Judge sets, they can avoid jail time and speak with the Judge to make payment arrangements. A Capias warrant is issued when a person fails to comply with the Judge's orders. If a person is captured with a Capias warrant they have to either pay the total amount in full or set it out in jail.

Tips for the Road

It's 6 a.m. It's mid-February and the temperature is 38 degrees outside. You are in the far right lane of a five-lane highway. The roads are wet but look "ok". Forecast is mid-forties and rain. You've got three hours of freeway driving ahead of you. Should you use your cruise control? NO! Never use your cruise control in rainy or icy conditions. If your vehicle begins to hydroplane cruise control can delay your reaction time causing you to lose control of your vehicle.

TOTAL CITY REVENUE

Here is a 4 year comparison chart of the money collected from fines and fees. For more information please contact Kelly Rodriguez, Assistant Court Administrator at (210)655-0022 ext 2150 or krodriquez@windcrest-tx.gov.

We are accepting registrations for the next CERT Training, to be held at Rack Space, on 5 consecutive Tuesday evenings, March 3rd to the 31st. Time of class is 5:45 to 10:00. There is no charge for this 20 hour Course that will train you to prepare for unexpected disasters that might affect you, your neighbors and your local community. Following the training, you will be equipped to prepare yourself for a disaster and respond as a CERT Team member, or just take care of yourself and your neighbors. The more people in our city that are trained, the more help available in a disaster, affording the Emergency Professional teams to take care of what they are trained to do in more critical situations. CERT Teams do not replace Emergency Crews, but are equipped to respond if called out by our Emergency Operations Manager, Chief Ballew, in the event the emergency overwhelms resources available to our city. To register, or for more information about CERT, please contact: Kathie Maloney, Windcrest CERT Team Program Manager @ 210-887-5069 or e-mail [a@ teamwindcrest@gmail.com](mailto:teamwindcrest@gmail.com) For more information on CERT, visit: <http://www.fema.gov/community-emergency-response-teams>. Keep up with our events, news and communications at: Windcrest City CERT Face Book page.

The Windcrest Lions Club would like to thank everyone who attended the Pancake & Sausage Breakfast last month. This was a joint fundraiser sponsored by the Lions Club and the Optimists Club. It's fun for all of us to work together to raise funds for our various charities and programs. We couldn't do it without your generous support!

We have an exciting year ahead filled with opportunities to have fun while serving our community, supporting the Texas Lion Camp, and collecting eye glasses for distribution to those in need. If you are interested in making a difference this year, please attend a meeting and find out more about how "WE SERVE".

We meet on the 2nd and 4th Tuesday of each month at 6:30 pm at the Windcrest Community Center at Takas Park. You are welcome to stop by at any meeting or call Lion Marlene at 210-455-3662 for more information.

WINDCREST ANIMAL CARE & CONTROL UNIT

Officers A. Fuentes and G. Bayer

Many families have received a new puppy over the holidays. You may have had fun picking out a new bed, toys and food, but another very important thing to pick out is the right training for your breed of dog. All dogs are different; therefore training may need to be different. Dogs want to follow commands and follow their pack leader. They need to be taught about excessive barking, aggression, where to potty, where to eat, and what they are allowed to chew on. They may think biting your ankles is playing but it doesn't feel very fun. They need to be taken out on a leash to the same place every time when potty training. Eventually they will remind you when they need to go out. Never yell at or hit your dogs. They need to be taught correctly and it takes patience and time. Dogs are a commitment; they are family members and not property. There are a number of dog training locations throughout Bexar County that offer classes with accredited trainers. There are also many websites and YouTube tutorials on training as well. Dogs not only require shelter in the elements, fresh clean water, healthy food and medical care, but require love. Remember to vaccinate, spay or neuter, microchip, tag and register them with the city so we can make sure they get back home safely if they get loose.

Windcrest Animal Control Task Force

TxWeACT

Our second immunization clinic will be on the third Saturday of this month (Feb. 21st) from 9 – 11 am at City Hall. On that day, we will continue to offer free City registration (along with a photo taken) so come on over to our table.

There are a lot of eyes out in our community that help reunite a lost dog with their owners....that is the goal for all of our dogs. If you do pick up a dog wandering the streets, please call animal control and let them know. Give them a full description of the dog and where you picked it up. If you would like to foster the dog while the required seven day hold is ticking, let them know that. It is a lot less stressful for a dog if it is in a home environment while we wait for the owner to locate their pet. This also allows notices to be posted of a found dog. Hopefully our animal control officer can match the "lost dog" to the "found dog" and we have a happy ending. Just know that not all dogs wandering our streets are dumped dogs...there are families out there searching for their loved pet. We need to do our best to help them find their dog. And letting animal control know you have a "found dog" is the first step in the process. Of course the best way to help a "lost dog" or "found dog" is to make sure they are wearing a collar with a name tag that has a good contact number and getting your pet micro chipped; this will allow for animal control to find the owner when the pet has been scanned for a microchip.
