Dear Friends, Neighbors and Citizens,

February may be the month of the year with the least amount of days, but it does not lack for activities. This month we will witness the 5th Annual Kid's Valentine's Day, Super Bowl parties, Valentine's Day and Leap year, to name a few of the happenings this month. Also, we are all witnessing the growth of TEAM WINDCREST - both city pride and citizen participation are growing. We encourage you to remain active and involved, and we promise that we will continue to modify, change and refine how we do business. As we all know: **If we stay the same, we cannot improve.**

Council Meetings for February: Due to a National Holiday falling on the 3rd Monday of this month - February, the Council Meeting will be on the first Monday of this month - February 1st. The second Regular City Council Meeting would normally fall on the third Monday, February 15th; however, this is a Holiday. The second Regular City Council Meeting will be Monday, February 22nd at 7 PM at City Hall in the Council Chambers.

Newsletter Delivery: It was brought to my attention by a citizen that he was not receiving his Newsletter in the mail for the last several months, including the Special State of the City Newsletter. He also mentioned that some of his neighbors were also not receiving their Newsletter. After a call and some research with the publisher, we learned that some addresses were not transferred when the publisher changed their mailing software. We have identified approximately 7 addresses where this occurred. We were told that this has been corrected. If you have not received any of the prior Newsletters, please contact myself at 210-846-5507 or Kelly Hamilton at 210-314-9783 or email her at khamilton@windcrest-tx.gov. We will make sure you receive any issues that were not delivered.

Kid's Valentine's Day at YMCA – Sunday, February 7th from 3 PM - 5 PM: This year will be the 5th Annual Kid's Valentine's Day Party. It is Sunday, February 7th. This free community event is for Windcrest children and grandchildren under 15 years of age. The children must be accompanied by an adult. This FREE event is held at the YMCA on Walzem Road and every child receives a gift before they leave the party. The Newsletter Committee throws this party, and it is sponsored by the City of Windcrest and the YMCA. The YMCA opens the entire facility for us, and that includes their indoor pool! The Newsletter Committee takes great pride in this fun event every year so we hope to see you there.

Autumn Sunset and Brook Falls (Duck Pond) Park Ponds and Park Areas: As I am writing this article, the contractors will be finishing up renovations, landscaping, and new sidewalks/paths. Additionally, new lights will be added and the old lights replaced for better use of the park and its amenities and to increase safety. We are confident these areas will be utilized even more by our citizens, and yet another investment this Council has made to increase our quality of life. Whereas I, and I am sure some residents, are a little frustrated by the length of time this project has taken, I am confident it will be done right and well worth the wait. Thanks to Raba-Kistner Engineers and the Parks and Rec Commission.

Winnbrook Estates Park: This Park will see the commencement of Phase 2 in the very near future. This

investment will be made to continue to improve the Park at Winnbrook Estates. Again, a huge thanks goes out to the Parks and Rec Commission and the WBE HOA leadership.

Reflective Clothing: Several citizens have called me about experiencing near misses! I have to add, I can understand their concerns. With our 20 MPH speed limit, nice streets and parks, and the great security our Police Department provides, Windcrest sees a lot of walkers, runners, and bikers. We see this at all hours of the day and night, which is just fantastic! However, please remember when doing these activities at dusk and/or night time, please wear reflective clothing so that we can see our perfect record of zero pedestrian accidents under this administration continued.

Newsletter Committee: This Committee is the James Brown of Windcrest = the hardest working bunch in show business. These volunteers not only are critical to the success and professionalism of our monthly Newsletter, but they also volunteer and support literally every city sponsored event of the city. They are major reasons why Light-Up, Light-Up Awards Party, Kid's Valentine's Day, past Galas, July 4th Parade, etc. are such a success. I do not know how we could do all these citizen events without the efforts of this Committee. THANK YOU ALL! We are always looking for volunteers. If you are interested, please contact Kelly Hamilton at 210-655-0022 or khamilton@windcrest-tx.gov.

Street Committee: We are re-configuring the Street Committee for Windcrest. This committee meets with our engineers and assists the Council with decision making with regard to our streets – CIP, maintenance and construction projects. So far, we have three long-time residents on this Committee. They are Paul Greenwood, Col. Henry Berman and Bill Zulaica. We would love to have a couple more. If you are interested, please call me at 210-846-5507. Thanks to Council Persons Jacobi and Shelton. They spent three long years on this committee and oversaw millions of dollars of work. I cannot express how grateful we should be for their time in serving on the Committee.

Two Department Head Openings: Currently, we are advertising for applicants for the Fire Chief and Municipal Finance Officer positions. As in the past, we are forming a citizen committee for both positions to get citizen involvement with these very important positions. If interested, please call me at 210-846-5507. Thanks

Save the Date -Brush Pick-up: The date for the city wide Spring Brush Pick-up is April 18th through May 6th. Under this administration, we

formed three sections of the city to make this bi-annual, free service to our citizens more efficient. Please circle those dates in your calendar. Spring cleaning time is fast approaching. More information is located in this Newsletter and in following Newsletters as well.

Save the Date - Spring Garage Sale Weekend: This administration several years ago added a Fall Garage Sale. We now have two City Wide Garage Sales for the convenience of the citizens. Charitable organizations participate as well. This year the dates for the Spring Garage Sale Weekend are April 7 – 10. More information will be in future Newsletters.

Re-Cap, Thursday, January 7 Light-Up Awards Party/Ceremony at Takas Park: This was the fourth year the city expanded this celebration/ceremony. It was standing room only again. The winners all received a plaque and a check. It was a great time. Light-Up cannot be what it is, if not for the citizens who go the extra mile. Thanks to all of those that won, and those citizens who decorated their houses. We are the CITY OF LIGHTS! If you are a winner and have not received your plaque and check award, please contact Kelly Hamilton. There are a few awards that were not claimed.

56th Annual Light-Up 2016 = SAVE THE DATES: Note, the Windcrest Women's Club will be announcing a theme in the coming months. The following are dates to save: Friday, December 2nd will be deadline to enter Contest, Tuesday, December 6th will be Judging; Saturday, December 10th will be the Light-Up Celebration at City Hall; and Thursday, January 5th, 2017 will be the Light-Up Awards Ceremony at Takas Park.

Volunteering and Participating: We need more people on the Newsletter Committee, Windcrest Citizens' Patrol and Animal Task Force. Please email Kelly Hamilton khamilton@windcrest-tx.gov if you wish to volunteer. Remember that there are still places of service within the City. If you want to participate or volunteer in any area of the City, you won't be turned away. Give me a call or email me to get involved.

Please email me if you wish me to add something to my article. When you visit City Hall, please stop in and say hello.

Remember that I welcome and answer every phone call and email.

From Your Mayor Pro-Tem

I just got home from the award ceremony for all the yards that won in our City's Light up (Jan 7th). It was a fun evening and I do think all the folks who put so much effort into their decorations appreciated the recognition. As was suggested at the event, I am hoping that the Women's Club will announce the new theme for next year as soon as possible.

I want to thank the Windcrest Volunteer Fire Department for another great "Fill the Boot" campaign and allowing TxWeACT to participate. The ladies who come out to stand in the cold or get sprinkled on seem to really enjoy talking with all the folks coming to see our resident's decorations. The fire department took good care of us too. Thanks again.

Quickly we are going to have to get back out in our yards and do all those things that help our yards survive the summer heat. I really appreciate all the efforts our residents put into maintaining their yards. It improves the value of not only your home but also the whole area. Keep up the good work!

Compromise is "a settlement of differences by mutual concession." Though some things should not be compromised (one's faith, for example), by and large, compromise is a sign of true leadership. It involves personal sacrifice, but makes for stronger marriages, better neighbors, and lasting friendships. The willingness to compromise is also a particularly important virtue in democracies.

Without compromise in democracy, the result is what our nation's founding fathers called the "tyranny of the majority,"—the situation resulting from the fact that because the majority rules, a political minority is often left without recourse in a democracy. While that makes the political majority happy, it also provokes unrest among the political minority. This is particularly true when narrow margins separate a political majority from a political minority. The result in such circumstances is dramatic swings from one majority to another—with a lot of really unhappy people all the time.

Consequently it's crucial that we as residents and citizens to always look to find good, creative compromises, and to support others who do the same. Because even if a "no compromise" strategy may feel good when someone's on top, it's merely paving the path toward unhappiness when balances inevitably shift.

Finally, on a different note, I'm looking for your help with this column going forward--so whether you're passionate about bike safety, box tops for education, or your favorite topping combination at Arctic Ape, please let me know—I'd love to highlight you and what you're doing or care about. Thanks!

IS THERE STILL HONOR IN WINDCREST?

For more than 200 years the American Flag has been the symbol of our nation's strength and unity. It has been a source of pride and inspiration for millions of citizens and a prominent icon in our national history. Veterans like myself, with a 100% Service Connected Disability, have fought to protect your rights and have died for that freedom and the honor of the American flag.

The Star Spangled Banner Lyrics were written by Francis Scott Key in 1814. It goes like this:

Oh, say can you see by the dawn's early light what so proudly we hailed at the twilight's last gleaming?

Whose broad stripes and bright stars thru the perilous fight. O'er the ramparts we watched were so gallantly streaming? And the rocket's red glare, the bombs bursting in air, Gave proof through the night that our flag was still there. Oh, say does that star-spangled banner yet wave O'er the land of the free and the home of the brave?

This is only a part of the Lyrics. I am proud and honored to have served and protect all Americans.

What has happened to Windcrest? I was so sure that I was not the only Veteran here, or am I ?

Happy Valentine.

POLICE DEPARTMENT NEWS

Chief of Police -
A. O. "Al" Ballew

Recently, several Windcrest residents have been the victims of various scams including but not limited to, the IRS Scam. There are ways to avoid becoming a victim. When receiving a phone call from an unknown person or business, do not provide any information. If asked to provide personal information for confirmation, don't do it unless you initiated the phone call in the first place. No one is going to give you any money or make you rich over the telephone. If you send money to people you don't know personally or give personal or financial information to unknown callers, you greatly increase your chances of becoming a victim of telemarketing fraud. The Internal Revenue Service will never:

- Call to demand immediate payment.
- Call about taxes owed without first having mailed you a bill.
- Demand that you pay taxes without giving you the opportunity to question or appeal the amount they say you owe.
- Require you to use a specific payment method for your taxes, such as a prepaid debit card.
- Threaten to bring in local police or other law-enforcement groups to have you arrested for not paying.

Here are a few warning signs of telemarketing fraud - what a caller may tell you:

- Send money now by providing a credit card or bank account number, or have a check picked up by someone.
- Act right now or the offer won't be good.
- You've won a free vacation, gift or prize. But you have to pay for postage, handling or other charges.
- No need to check out the company with anyone. The caller says that you do not need to speak to anyone including your family, lawyer, accountant, local Better Business Bureau, or other consumer protection agency.
- You can't afford to miss out on this high-profit, no-risk offer.

If you hear these or other similar lines from a telephone salesperson, hang up the telephone! The most important thing to remember... IF IT SOUNDS TOO GOOD TO BE TRUE, IT IS! You can avoid being a victim of a scam. Be Smart... Don't be fooled! If you have questions or concerns, please call your Windcrest Police Department at (210)655-2666.

The new sidewalks look incredible. Autumn Sunset Pond and Brook Falls Pond both have new sidewalks that give the parks safety and beauty. The sidewalks have all been installed and engineered using the ADA regulatory rules of installation. This assures safer walking areas. No more broken concrete to walk around when enjoying the beauty of our ponds.

There were slight changes to the layout of the sidewalks to enhance the overall presentation of the new install. We invite our citizens to enjoy the new sidewalks by taking a peaceful walk around our lovely ponds.

Street indicators are being reapplied to make our streets safer and better looking. The yellow and white reflectors on our streets are glued down and from time to time become dislodged. Bruce King, our street and sign manager, has done a great job reapplying all the loose dots and reflectors.

Have a wonderful February and many thanks for your support of Public Works.

CODE ENFORCEMENT UNIT

Spring is on the way, so this is a great time to fine tune your property maintenance plans. Now is the time to get your lawn care tools ready for the season. Have your sprinklers checked and prepare a plan to maintain your swimming pool. Use the cooler February weather to go outside and tackle some fence, shed repairs and/or junk removal. While cleaning up your property, prepare a plan for your property improvement projects and clean big for the upcoming spring brush pickup. A beautiful yard not only promotes increased property value, it also helps with good mental health.

Please review the ordinance in Chapter 32, Use of Yards section on RV's, Boats and trailers which clearly specifies what is allowed and not allowed. Try keeping up with the leaves on the ground. Remember, there is no ordinance requiring you to remove your leaves off your property, however, blowing leaves or grass trimmings onto neighboring yards, streets and not collecting them is considered littering. Finally, please check the alley behind your property fence and make sure the grass is cut. All bushes and tree branches need to be cut back to your fence line.

If you need any assistance or want to report a violation of the Windcrest City Code, please contact the Code Compliance & Enforcement Unit via email or the Windcrest Police Department Dispatcher at 210-655-2666.

ECONOMIC DEVELOPMENT CORPORATION

It has been a great holiday season with over 40 million dollars of development in progress currently and an expected 25- 35 million dollars of development occurring in this year. Windcrest is poised to continue its trend of financial growth even as the Eagle Ford Shale cuts back on production and jobs. Windcrest has weathered many storms but in spite of this latest one Windcrest continues to flourish because of the demands, attraction and needs of our area.

We hope everyone had a safe and merry holiday season and thanks to the dedication and continued loyal support of our Windcrest citizens and businesses ,our community continues to see the sales tax base grow. Please stay tuned and visit our website www.developwindcrest.org where you can see a 360 degree tour of much of Windcrest or visit us on Facebook or Twitter . We are also looking to opening a You Tube account to show off many of the videos we have obtained over the last few years.

A special thanks to all the volunteers who helped out during the holiday season, thank you for all that you do to keep Windcrest a destination for so many.

If you have any questions please feel free to call us at 210-967-9381 or email Robert Colunga at rcolunga@windcrest-tx.gov

Women's Club News

Kathy Littlefield (210) 413-6018

Homes were decorated for the "Sleigh Bells & Cowboy Boots" Light-up with many wonderful expressions in lights. Congratulations to all who participated in making our City so beautiful at this time of year.

We are ready for the New Year of 2016. What are your plans? We hope that you have added Windcrest Women's Club meetings to your schedule. In January we had an excellent program from two lovely ladies sharing their WWII POW experiences and how it formed their lives. February 24th will be the month we celebrate and recognize our Women's Club History and Past Presidents with our Annual Membership Tea for all members. (Time is 2:00P.M. to 4:00 p.m. (Please note the time change for this meeting!)) This is a very special meeting and we encourage you to attend.

March 17th we will have our "Spring Social" at the Windcrest Civic Center. Dress casual for a fun time with food, wine and music. Please RSVP to Diane Stake at 946-7589 or Hazel Freeman at 655-3919.

Our membership is open to all ladies living in Windcrest. Our dues are \$20.00 per year and we meet August through May. We meet at the Windcrest Civic Center, located on Jim Seal Drive. Please call Membership Chair, Lu Nix at 653-2371, for additional information.

Happy Valentine's Day! February is one of our wintery months but besides that February is a month seeing more upgrades to our parks. As I described in my article in November, the long over-due revamping of our Autumn Sunset and Brook Falls parks has been in full swing. During the holidays the sidewalks were torn out and reinstalled. Autumn Sunset had the largest change of the two parks to be able to accommodate wheel chairs and scooters in accordance with the American with Disabilities Act (ADA). I have been approached by a few residents saying how nice it is going to be to be able to get their loved one outside and around the ponds without fear of problems with wheel chairs. Brook Falls had five bridges that needed to become ADA compliant as well and again the job completed is superb. While walking my dog in both parks during this renovation many people have asked about this project and are thrilled that it is being done.

Now the lights are being installed. This is again a long over-due need for the safety of our residents as well as assisting our police patrols in being able to adequately see in the park after dark. It was mentioned during a city council meeting by a citizen that the parks close at 9:00PM and it is a very short season where people would be in the parks when it is dark. That isn't exactly factual given the number of residents I encounter during the winter months walking their dogs before bedtime in the dark. Once these lights are fully operational, I will breathe easier when walking my dog. I'm certain the police patrols will be glad they can see from one side of the parks to the other also.

People say we are spending a lot of money in these parks and they are only used by a few. The city parks are there for all residents and non-residents and no one is stopping anyone from utilizing the parks. It is a personal choice. In the 20 years I've lived in Windcrest, with the exception of a couple of projects done by Public Works, there has been NO monies spent on Autumn Sunset and Brook Falls parks. As the Mayor says each and every month in his newsletter article, "if we stay the same, we cannot improve", and now through his leadership and the council approval we are improving.

WINDCREST ANIMAL CONTROL TASK FORCE

- Pam Dodson

TxWeACT

TxWeACT

We want to thank everyone who came by to donate to the “boot” after Christmas Day. We raised about \$2000 to help with our animal causes. It was a fun occasion for us and we met some really nice folks!!

We are having another immunization and registration clinic on February 20, 2016 from 9:00am to 11:00am. This will allow residents to get their pets’ vaccinations up to date and then register or re-register their pets with the city. (It is a yearly requirement.) It will be held at City Hall and no appointment necessary. Just show up, meet your neighbors and be patient. Please make sure your dogs are on leash and cats are in a carrier.

We are still working on a sponsorship program to help with the cost of the boarding of our dogs until they are available for adoption. Some of our dogs take a little bit of time before they are adopted to a loving family and sponsors would help the city with some of the incurred costs. Please watch for future information!

PANCAKE & SAUSAGE BREAKFAST

Saturday, February 27, 2016

8:00-11:00 a.m.

CIVIC CENTER AT TAKAS PARK

The Windcrest Optimist and Lions Clubs invite you to attend our 8th Annual Pancake & Sausage Breakfast on Saturday, February 27th from 8:00-11:00 a.m. The event will be held at the Windcrest Civic Center, Takas Park. Cost is \$8.00 at the door - but you can buy your ticket in advance and get a \$1.00 discount! Children under 10 years, Windcrest police officers and firemen eat free!

Breakfast includes pancakes, sausage, coffee and orange juice. Watch Lions and Optimists flip pancakes and serve coffee – socialize with your friends and neighbors while supporting some great community charities!

This breakfast event started in 2009 to celebrate the beginning of Windcrest’s 50th Anniversary year. It was so much fun that the Optimist and Lions Clubs have continued the breakfast as an annual fundraising event. Proceeds go toward the Clubs’ activities such as our local student recognition program, youth bicycle safety, RHS LEO Club scholarships, dictionaries to 3rd grade students, and the Lions Camp in Kerrville for kids with special needs.

For discounted advance ticket sales, please contact any Lion or Optimist Club member or call Bob (210-455-3662) or Marlene (210-393-7383).

See you at the Pancake & Sausage Breakfast!
